PUBLIC HEARING – ORDINANCE NO. 2220-0123 APPROVING INCREASE IN SEWER CONNECTION CHARGES

The Manager gave a brief report on the proposed sewer connection charges as follows: \$3,201 per dwelling unit for single-family residential; \$3,354 per dwelling unit for single-family residential; \$2,193 per dwelling unit for multi-family residential; \$129.01 per fixture unit for non-residential and detached accessory dwelling units; and \$284.21 per fixture unit for all development within the San Pablo Avenue Specific Plan Area (SPASPA). Director Merrill commented that the San Pablo Avenue Specific Plan Area Impact Fee should remain unchanged due to actual construction costs of the recently completed first phase of the SPASPA upgrade project coming in lower than the original study had projected. The Manager stated that an update to the SPASPA Impact Fee study that would incorporate the updated construction costs is planned for later this year and would be ready for the Board’s consideration by January 2024. President Christian-Smith opened the public hearing at 7:15 P.M. There were no members of the public in attendance nor any comments or objections received by mail or email. The public

RESOLUTION NO. 2222-0223 APPROVING A CONTRACT WITH ELK GROVE AUTO/
WINNER CHEVROLET FOR A 2023 SILVERADO 1500 CREW CAB 4X4 TRUCK IN THE
AMOUNT NOT TO EXCEED \$53,620.53

ISSUE:

The District Manager requires authorization from the Board of Directors to procure a new truck to replace an existing truck considered by the insurance company as a “total loss” due to a recent accident.

FISCAL IMPACT:

The quote for a new 2023 Silverado 1500 Crew Cab 4x4 Truck is \$53,620.53.

STRATEGIC PLAN:

GOAL 2: Maintain and Improve Infrastructure

WORK PLAN ITEM ”a”: Perform proactive maintenance and assessment of the sewer system through cleaning, CCTV inspection and chemical root control to eliminate “preventable” SSOs

BACKGROUND:

The District was recently informed by the supplier that the proposed 2023 Ram 1500 Classic (DS6L41) Tradesman 4x4 Quad Cab Truck (\$45,897.51) previously approved by the Board in December 2022 will no longer be allocated by the manufacturer.

As stated back in December, the District’s existing 2016 Chevrolet Silverado work truck was involved in an accident and was considered by the insurance company as a “total loss”. The insurance company provided the District an adjusted vehicle value of \$25,026.75 which will be used towards the purchase of a new replacement truck.

The State of California issues a master contract for statewide vehicle purchases and, as the largest purchaser of vehicles, commands the best price from manufacturers. The master contract provides fleet vehicle trucks at the contracted pricing to local governmental agencies.

Elk Grove Auto/Winner Chevrolet currently holds the master contract for fleet vehicle trucks and provided a quote under State Contract #1-22-23-20D for a 2023 Silverado 1500 (Gas) Crew Cab 4x4 Truck for \$53,620.53 and a 2024 Silverado EV (Electric Vehicle) Crew Cab 4x4 Truck for \$84,793.71. Per the supplier, the gas version is projected to start production in Q3 of this year and the electric Silverado will be ”slow to start production”.

RECOMMENDATION: Approve the Resolution.

ALTERNATIVES:

1. Amend the resolution to instead purchase a 2024 Silverado EV (Electric Vehicle) Crew Cab 4x4 Truck for \$84,793.71, and approve as amended. Delivery date is TBD.

2. Instruct staff to begin a formal bid process for a new truck instead of using the master contract for statewide vehicle purchases.
3. Take no action and provide staff further direction.

RESOLUTION NO. 2222-0223

RESOLUTION APPROVING A CONTRACT WITH ELK GROVE AUTO/WINNER CHEVROLET FOR A 2023 SILVERADO 1500 CREW CAB 4X4 TRUCK IN THE AMOUNT NOT TO EXCEED \$53,620.53

The Directors of the Stege Sanitary District find and determine as follows:

- A. Due to a recent accident, the District has the need for a new work truck to replace an existing work truck considered by the insurance company as a “total loss”.
- B. The State of California issues a master contract for statewide vehicle purchases and, as the largest purchaser of vehicles, commands the best price from manufacturers.
- C. The State of California master contract provides fleet vehicle trucks at the contracted pricing to local governmental agencies.
- D. Elk Grove Auto/Winner Chevrolet currently holds the master contract for fleet vehicles trucks and provided a quote under State Contract State Contract #1-22-23-20D for a 2023 Silverado 1500 Crew Cab 4x4 Truck for \$53,620.53.
- E. The Directors of the Stege Sanitary District desire to approve and authorize the District Manager to execute an agreement with Elk Grove Auto/Winner Chevrolet to purchase a 2023 Silverado 1500 Crew Cab 4x4 Truck in an amount not to exceed \$53,620.53.

In consideration of these findings and determinations, it is resolved as follows:

- 1. The District Manager is authorized to execute a contract, in a form approved by District Counsel, with Elk Grove Auto/Winner Chevrolet in an amount not to exceed \$53,620.53 for a new 2023 Silverado 1500 Crew Cab 4x4 Truck.

Subject: Silverado Quotes

Hi Dennis,

Attached are the requested quotes for the 2023 Silverado 1500 LT 4x4 and the Silverado EV. As I mentioned on the phone yesterday, the Silverado 1500's that we have allocation for are projected to start production in Q3 of this year and the Silverado EV's will be slow to start production this year.

Please get me a letter of intent or PO so that I can reach out the factory and get you slotted for these as we have limited time to move on both products right now.

If you have any other questions, please let me know.
